What it means

Cut out the cards. Match each commandment to what it means, or turn them face down and play memory.

Don't lie about anyone, or get someone else in trouble.

God rested on the seventh day. Stop, rest, and remember him too.

Worship God, not things you can hold in your hands.

Listen to them, speak kindly to them, and look after them.

If it belongs to someone else, ask — or leave it where it is.

Nothing and no one is more important than God — not toys, not screens, not winning.

Don't want your friend's things so much that it makes you unkind.

Especially in a family: husbands and wives promise to love only each other.

God's name is special. We don't use it to be silly or angry.

Every person is made by God. We protect life.
